

PAB CONTRACTING

Company Profile

Overview

PAB is a Port Elizabeth-based contracting company, specialising in **industrial flooring and waterproofing**, and **concrete repairs**.

Projects

Typical clients include: Aspen, Firestone, General Motors, VWSA, Parmalat, Neopack and Venko.

Our single biggest project was for VW and Johnson Controls, laying down 22000m² of epoxy coating.

Agencies

We are approved applicators for all of the major construction chemical suppliers

These include:

- Sika
- ABE
- Stoncor
- Derbigum

Our History

PAB was established more than 50 years ago, in 1968. We are a second generation family-owned business, based in Nelson Mandela Bay.

Originally we were suppliers of **p**ipes **a**nd **b**uilding materials, hence the name.
